# How to make a Scratch Account

1. Go to http://scratch.mit.edu/

2. Click on "Join Scratch"

3. Enter your information including a Username, Password and your email address. Click "Next" until you reach the end where you click "OK Lets Go"

4. This now means that any work you save on your account you can access at home and work on it there! Just make sure to save it as you go!
